

## Override Policy

My policy concerning the distribution of override requests is simple. There are issues concerning scheduling and funding that are only possible to make with access to information not available to faculty. Any request for an override into one of my sections should be made to the Department of Philosophy. These can be made using email. Please email [philosophy@ilstu.edu](mailto:philosophy@ilstu.edu). Please be aware that there may be some delay in making the decision to grant or deny any request.

Please do not phone me concerning these. I do not make the decision. I allow the Department to do so.
